### Adobe Illustrator 2 Objectives ( 8 hours recommended training time)

You will use Adobe Illustrator CS5 to create illustrations such as logos and advertisements that include advanced graphics. Upon successful completion of this course, students will be able to create blends, create and edit brushes, work with symbols, combine paths, manipulate gradients, work with appearances, masks and create effects.

#### 1. BLENDS

- a) Make Blend command
- b) Release blend
- c) Blend options
- d) Blend tool
- e) Apply blend to a path

#### 2. BRUSHES

- a) Create/modify brushes; scatter, calligraphic, art
- b) Pattern brush
- c) Edit brushes manually
- d) Edit pattern brush via dialog

#### 3. SYMBOLS

- a) Symbols palette
- b) Place symbol instance
- c) Symbol libraries
- d) Symbols palette display
- e) Create a custom symbol
- f) Modify an instance
- g) Symbol tools

Classes can be taken at our school in Great Neck, your business or your home.

We can provide training laptops for classes at your location.
